

Job type: Full-time

Are you well-versed in electrical systems and looking to take “charge” of your career? One of Northeast Ohio’s most respected and renowned companies is currently looking for experienced individuals to join our team of industry professionals. Apply today, and you’ll be shocked to see what great opportunities are waiting for you!

Job description:

As an Electrician, your job will be to guarantee that our customers have the power that they need for their homes and lifestyles. As well as performing regular, preventative maintenance, you will also troubleshoot and test existing electrical systems to identify any possible issues. Using your electrical expertise, you will discuss all options for repair, replacement, and payment with the customer; whether it be a quick fix or major installation, you will be in charge of making sure that their electrical systems are safe and effective. Our Electricians mainly work independently but may also be required to work alongside others for bigger projects, such as generator installs and electrical service changes.

Our office is based in Barberton, OH. We provide our technicians with their own company vehicles so that they have the ability to be dispatched from their homes.

Responsibilities:

- Completing all assigned electrical calls.
- Identifying any damage, malfunctions, and safety hazards with electrical and wiring systems.
- Establishing customer rapport by assisting them with choosing the best repair options, products, financing, and maintenance plans for their individual needs.
- Reading and interpreting diagrams, codes, and blueprints.
- Installing new breakers, panels, generators, and many more electrical mechanisms.
- Following installation plans and National Electrical Code standards.
- Running circuits and wiring for bigger equipment, such as furnaces and air conditioners.
- Collecting payments and ensuring that they are safely turned in, using our orange envelope system.
- Maintaining company vehicles, tools, and equipment.
- Working alongside Customer Service and Dispatch to ensure the overall success of the company.

We are looking for someone who:

- Is attentive to detail and follows all safety procedures.
- Is mathematically competent and proficient at basic algebra.
- Is persistent and has excellent problem-solving abilities.
- Has a positive attitude and a passion for their work.
- Has excellent written and verbal communication skills.

Qualified candidates must have a valid driver’s license that is in good standing and must be able to pass a drug test and background screening.

What we are proud to offer you:

- Medical
- Dental
- Vision
- Voluntary life insurance
- AD&D insurance
- Company incentive bonuses
- Short and long-term disability
- 401(K)
- Flexible Spending Account, Health Reimbursement Account, or Health Savings Account
- Paid time off and holiday pay – this includes your birthday as a paid day off after one year of employment!
- Company vehicle and gas card – plus the ability to take your company vehicle home each night
- Company-funded tool & boot funds

Blind & Sons is an Equal Opportunity Employer. No individual is to be discriminated against during the hiring process or during employment because of race, ethnicity, national origin, religious beliefs, gender/sexual identity, sexual orientation, age, disability, or military status.

About us:

Blind & Sons has a long history of providing total home comfort, offering our customers all heating, cooling, electrical, plumbing, and indoor air quality needs. Since 1937, we have built a name for ourselves in Northeast Ohio and have continued to grow through repeat business and customer referrals. Our company has seen the advent of forced air furnaces and air conditioning, and we have continued to adapt to all of the latest technologies in our many trades. In 2013, we acquired Apple Heating & Cooling, allowing us to expand our customer base. Because we are grateful for our success, we also believe in staying involved in our local communities and supporting those who have supported our company; we would not be where we are today without our amazing customers!

We are proud to employ only the most skilled, trained professionals in the industry. Our specialists have not only been formally educated to repair and maintain home heating and air conditioning, plumbing, and electrical systems, but they also stay updated on the latest trade technologies in order to provide our customers with the best, quality service and equipment!

We hope that you will join us and see what makes Blind & Sons a leader in home comfort!
